6.2.3: Implementation of e-governance in areas of operations:

1. Administration:

- ❖ The college authorities have implemented full supervision of all the service units in the office through the ERP software.
- ❖ Biometric attendance for all staff members
- ❖ Fully automated, wireless office with 24x7 internet facility
- ❖ The Administration communicates with Governing Body members as well as the teaching and non-teaching staff through email
- ❖ All important administrative information including notices is regularly published on the website.
- ❖ To achieve the target of Paperless IQAC, committee members of it started using Google facilities like
 - Google sheet: For data collection from Various Departments
 - Google Docs: To prepare notices and activity reports.
- ❖ The college campus is equipped with CCTV Cameras installed at various places of need.
- ❖ ICT has been introduced in the Administrative work.
- ❖ College E-mails and WhatsApp Group helps to provide the brief notices of any event to be happened on college.
- ❖ College E-mails and WhatsApp Groups are also used for awareness and of smooth functioning of the same.

The banner has an orange background. At the top center is a circular profile picture of a man. Below it, the name 'HIMANSHU NEGI' is written in large white capital letters. Underneath the name is the text 'Software Developer, Infosys (B.Tech EEE-2013-15)'. A testimonial quote follows: 'Tula's Institute has competent and capable teachers who are proactively involved in providing the very best to their students. Thanks to the entire staff for their guidance, boost, motivation, and support. I had an amazing two years of experience at this campus, and I will always miss this place.' The quote is enclosed in a light gray box. The Tula's Dehradun logo and navigation menu are visible at the top.
