Trees represent life, growth, peace, and nature. They produce oxygen, clean soil, prevent drought, control flood-related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind the campaign for the One-Student One-Tree program was initiated by the Tula's Institute, Dehradun and Shri Nityanand Swami Jan Seva Samiti on 27th August 2022 by the NSS unit at vill. Podwala, and adopted village under Unnat Bharat Abhiyan.

### Blanket Distribution Drive

People usually say that **thousands of people die of cold**, but we say that they die due to lack of **woolen clothes** and blankets. Poor and helpless people sleep in rags at footpath and roadside and die of cold. These poor people sleep close to each other during cold waves but how one can sleep sound without blanket or quilt in such conditions. **They shiver due to cold breeze** all the night and some old age persons die of these waves.
