There is a registered Alumni Association with over 2000 members which contributes significantly to the development of institution through financial and support services.

The institution has continuously engaged its Alumnus for purpose such as placement, mentorship, industry engagement, financial sponsorship and overall growth of the institution.

Since some Alumni have been successful in their corporate careers, they have been actively helping the placement division of the institution by establishing relationships with their current employers and human resource divisions

The alumni help by donations and contributions in financial aid for weaker sections of the students. The financial contribution of alumni in the last years is over 2 lakhs.

The Alumni Office acts as link between alumni and Institute. The patrons of Alumni Office are Director and Registrar of Tula's institution. The Chairman of the Alumni Office, the Secretary, the Treasurer and the Coordinator take care of the functions of office. The major objectives of Alumni Office are to enhance coordination between Tula's and its alumni, to improve interaction of alumni with students and teachers, to establish alumni chapters in different metro's of India, to create the database of alumni and to look after the interests of Tula's alumni and contribute to overall growth of institution.

Three alumni chapters at NCR, North East and Bihar act as fully independent units and the Alumni Office facilitates their smooth running. One of the major activities of alumni office is to invite the alumni to visit the campus and host them. Institution provides them guest house. Alumni are also invited to inspire current students on their aspirations and opportunities and guide them on their career. The Alma Connect portal enables alumni to get registered to interact with Institute. The URL of site is <https://tulasinstitute.almaconnect.com/>. Discussion, chat and internal email, job links, search facilities for alumni to contact their friends are some of the provisions available for registered alumni. Another initiative of alumni office is to conduct reunions at campus and at location of alumni chapters across India. In the last year alumni meet (Retrace) was conducted for North East chapter in November 2021, alumni from different batches had an interactive session with each other.
