RECORD BREAKING PLACEMENTS

At Tula's Institute, we are proud of our placement cell, which ensures that our students secure the best positions in MNCs and tech-based companies. We prioritize student's career success by providing in-depth training. Our strong industry connections bring leading companies to our campus for recruitment, offering diverse opportunities. Through strategic partnerships, we make sure that students are well-prepared to enter the professional world. Our dedicated placement cell works hard to provide opportunities in areas like engineering, management, and technology. We aim to assist students in landing roles such as software engineers, management trainees, research analysts, design engineers, and consultants.
