## RESEARCH POLICY

Revised on: 25/02/2022

With effect from: 01/03/2022

\* This policy will supersede the entire clause present on previous policy.

Tula's Institute is committed to cutting edge research for providing viable solutions to the emerging societal problems in the current scenario to contribute towards nation-building. To fulfil its commitment, the Institute has framed research policy to foster academic excellence and pursue research activities. Each faculty member and student of the Institute will be guided by the research policy. Research policy contains guidelines to motivate, nurture, and facilitate the faculty members and students to pursue research activities. Policy framework for achieving academic excellence with detailed guidelines presented in this research policy.

Framework for achieving academic excellence through research:

### 1. MOTIVATING FACULTY MEMBERS TO PURSUE PH.D.

Academic excellence can be achieved by integrating research outcomes in the teaching-learning process. To achieve this, faculty members will be encouraged to research on emerging technologies/areas. One of the challenges faced by academic institutions nowadays is to get doctorate faculty members. To build in-house resources, faculty members will be encouraged to pursue/enroll in the Ph.D program. Henceforth, the following guidelines will be followed to facilitate and incentivize faculty members for the pursuance of Ph.D.

#### 1.1 Academic Leave

- 1.1.1. A total of 14 days Academic leaves in a year will be provided to the faculty members.
- 1.1.2. If Ph.D. work falls during summer break, then faculty must consume their summer vacations first and the rest will be treated as academic leave.
- 1.1.3. For availing academic leave, faculty members will have to submit a request with all documentary proof (Ph.D. admission letter, fee receipts etc.), to HR through HoD and Dean (Academics). The final approval of sanctioning academic leave lies with the Director.

#### 1.2 Financial support

- 1.2.1 Financial support of ₹10000/- will be provided to the faculty members for submission of the Ph.D. thesis.
- 1.2.2 For availing financial support, the faculty member must have rendered confirmation of service in the Institute.
- 1.2.3 The faculty member is expected to serve for at least one year in the Institution after the submission of the Ph.D. thesis. If in case he/she fails to do so, the financial support given will be adjusted from his/her security/salary amount.
- 1.2.4 Plagiarism report (as per guidelines of the University) of the Ph.D. work should be attached with the request for financial assistance.
- 1.2.5 Process for financial support should be routed through HoD & Dean (Academics) to HR. HR will process the case for final approval by the director. All the reimbursement approval would be communicated by HR via e-mail to the individual and respective HoD.
- 1.2.6 Faculty members pursuing the Ph.D. program will have to submit the progress report to the Registrar/ Director.

Faculty members proceeding for their higher education in any institution of national importance/international university, they will be awarded leave to complete the minimum

Tula's Institute, Dehradun

residential requirement (as suggested/recommended by his/her supervisor). In case of financial support given for the above during their residential requirement, the faculty member requires to sign a mutual agreement as per mutual acceptance.

- 1.2.8 Institute will not provide any financial assistance for the candidates who will be availing any kind of Government/Non-government fellowship scheme.

## 2. PUBLISHING RESEARCH

To improve the reputation and visibility of the Institute to outside world, emphasis will be laid on improving the number of research articles published in journals/conference proceedings. Following incentive schemes will be followed to appreciate faculty members contributing to publishing research articles.

### 2.1 Incentive Scheme for Journal publications

#### 2.1.1 Engineering and Management

- a. Scopus publication: ₹1000/- (rupees one thousand) per publication.
- b. SCI publication/Nature: ₹5000/- (rupees five thousand) as a first/corresponding author.
- c. SCI publication/Nature: ₹2000/- (rupees two thousand) (as a Second/Third author)
